Share your views on mosquitoes in your local area

We're inviting local residents to take part in a small group discussion about your experiences of mosquitoes, and your opinions on how they should be managed in your local area

- Approximately 90-minute focus group
- Talk about your thoughts, concerns, and ideas
- No prior knowledge needed
- Your views will help shape future public health approaches

Participants will receive a thank-you gift of £25 per hour and any travel expenses relating to travelling to the group session up to £30

Location: In-person at **4 Sefton Grove**, Liverpool L17 8XB (The old police station)

Dates/times: 22nd September, 6th & 13th October, 6pm-8pm. You will be assigned to one of the dates based on screening criteria. Please ensure you will be available for all three dates/times before expressing interest.

Eligibility: Aged 18+ | Living in the Liverpool City Region
